

COMMUNICATOR-FEBRUARY 2021

DON'T Save The Date-LEC Seminar

We are sad to let everyone know that we are going to CANCEL the LEC seminar for 2021. The LEC Board discussed the logistics of being able to keep distance and everyone safe along with the on-going restrictions, we felt it would be in the best interest of our members safety it would be necessary to cancel the seminar for 2021. Hopefully, we will be able to bring back the seminar in 2022.

2021 Schedule

Below is the 2021 LEC schedule. All dates have been confirmed for Mid-Ohio. The October TBA at Mid-Ohio is still on the schedule but hopefully will have more info in the next couple of weeks. The Nelson Ledges events are still under discussion but expect they will occur.

The NASA dates will be Pay Days and will once again be limited to the number of workers per day. The NASA dates are 3 day events, with Fridays being afternoon only.

Registration for confirmed events will be on Motorsportsreg opening on February 1. You can get the links on the website under season schedule and click on the event to access the registration page.

Race Weekend Schedules Around the Region:

Travelling to other venues around the region is highly encouraged by LEC. This gives members the opportunity to experience other venues, organizations and regions on how they operate F&C and make new friends and contacts. Several new ideas for LEC have come about from experiencing other venues. Below are the schedules for events at Indianapolis Motor Speedway, Grattan, Gingerman and Waterford Hills. Please consider travelling to other tracks in the region. This is the best way to thank those that come to Mid-Ohio and support our events.
