

COMMUNICATOR-JANUARY 2023

Everything In 2022 Thank You

A major thanks to all who volunteered at all of the Lake Erie Communications events in 2022. Many of the events were a small crew, but we all heard from the sanctioning bodies that they could not tell that we were tight on staffing, which is a tremendous compliment to the work you all do.

We cannot do these events without you. It was a hard schedule, with lots of back-to-back events, and a busy region, but everyone who stepped up, our heartfelt thanks to you all. We hope to see more of you in 2023!

From the Executive Director

Hello everyone, hope you are all well.

Sending greetings to you from LEC Board of Directors. I know the off season has been long but I am already starting to get the flagging itch again. The 2023 schedule at MID-O is starting to take shape and what we have so far will be posted at the end of this Communicator. Remember, Ohio Valley and Cincy Region SCCA dates are tentative but pretty solid.

The 2023 Seminar is tentatively scheduled for April 1st and will let you know when MID-O confirms it in the near future.

I am reaching out to all of you and asking what topics you would like to go over at the Seminar.

Please give me a call 440-309-8127 or text alheitrandy@elyriaschools.org if you have any ideas. Randy Alheit

2023 Seminar

We are planning to hold our annual Seminar on April 1st, 2023 at the Mid-Ohio Sports Car Course. Details are still being finalized, but expect a full day of discussion, refreshers, training, and fun. As mentioned by Randy, please let him know ideas of what you'd like to have talked about or done at the Seminar this year.

When details are finalized, you'll be able to register for the Seminar on MotorsportReg.

Race Weekend Schedules Around the Region:

Travelling to other venues around the region is highly encouraged by LEC. This gives members the opportunity to experience other venues, organizations, and regions on how they operate F&C and make new friends and contacts. Several new ideas for LEC have come about from experiencing other venues. Below are the schedules for events at Indianapolis Motor Speedway, Grattan, Gingerman and Waterford Hills. Please consider travelling to other tracks in the region. This is the best way to thank those that come to Mid-Ohio and support our events.

Schedules will be posted as we get them from other regions
