

COMMUNICATOR-JULY 2020

Season Update

The season is finally underway for LEC. It has been a long time coming but we are finally able to get back out on track.

The worker campground is back open. Those that leave campers on-site during the season are now able to do so. If you are planning on bringing your camper up to leave during a non-LEC, please get with us, so we can let Mid-Ohio know you are coming. This will reduce the time you would need to get in the facility.

The showers by maintenance are also back open. The electric service to the worker campground is now restored.

Mask requirements when on-site have been reduced. You required to wear a mask when inside buildings (including restrooms) or when you can't properly social distance in groups. Wearing a mask is encouraged but not required when on station.

We have several events coming up in July and the worker counts are low for all of them. If you can and willing to come out and help for even a day, we would love to see you. The AMA Vintage weekend has been postponed with no new date announced.

Registration

With these ever-changing times we are currently living in, procedures that we are used to doing are changing. With Mid-Ohio now allowing limited spectators on the "Pro" weekends, we are being asked to submit our worker list on Monday morning prior to the "Pro" Events and are unable to add names after the cutoff. This is to help determine the number of spectators they can allow into the venue. We know there are several people that sign up late due because of various reasons and we understand that and always try to accommodate, however with these new times, we have to work with our customer in their needs to comply with their plans submitted to the county and state.

For club races, we have more leeway with registration lists. Since the club events are closed to the public per se, the numbers are no where near what the plan is in place for those on-site. Since each organization renting the track has their own procedures, we usually do not have to submit names for registration purposes and on this type of weekend you can walk up and gain entry. Keep in mind though, these events are classified as Essential Personnel Only, if you are on-site not for working purposes you may be asked to leave.

If you are planning on working event, particularly “Pro” events, please register early. I would rather have you on the list and then tell me you can’t make it rather than coming to us after registration closes and telling me you are available and I can’t get you on the list.

We hope we can eventually go back to the “old” ways soon but this is the new policy that is place for the foreseeable future for Mid-Ohio “Pro” events.

Pre-Race Info

Prior to events we try to send out information on registration, schedules and other items that will impact your weekend for an event. With the times, information is changing constantly, and we remain committed to giving you timely information. Because of the constant changing, we are waiting as long as possible to release information because we do not want to create confusion with information.

The best place to keep up to date on schedules and information is on the LEC website in the Pre-Race info section. When schedules are published/updated, meeting times etc....information is posted there along with all of the waivers and forms that need to be filled out prior to arrival at the track.

Social Media

With the State and local officials allowing the reopening of Mid-Ohio to spectators, there will be a lot of eyes on the facility and how everything is operated. We are being asked to do our part in promoting social distancing when we are together in our group.

We do encourage picture taking while off duty when at events and sharing it with our friends on social media; but with the sensitive nature of our current times and spectator events, we ask that you be cognizant of what you post. **The requirement by Mid-Ohio is to be wearing a mask when inside a building or can’t be properly distanced or in groups of 10 or more.**

For example, if you take a picture around the campfire, make sure everyone is properly separated or don’t post it.

Common sense is a must in this scenario, the last thing we want is to call attention to ourselves for not following the rules and create issues for us and Mid-Ohio in their efforts to stay re-opened to spectators.

Formula Race Promotions (July 3-5) Flag Chief: Randy Alheit

A full weekend of open racing invades Mid-Ohio as Formula 1600 & 2000 race along with Formula Ford, Formula V and Challenge Cup. This organization always puts on great racing action. This weekend is SCCA sanction and will count towards your license. We are currently needing another 10 people per day to cover the needed stations with 2 per. This event is closed to spectators. It is requested only essential personnel are on-site and ask not to bring guests/family/friends to this event. Register today at:

SCCA NEOHIO Time Trials @ Nelson Ledges (July 12) Flag Chief: Kurt Stevens

LEC returns to Nelson Ledges in support of the SCCA Time Trials. It has been way to long for us to be away from the historic track. Hopefully, this will lead to having club racing back at Nelson's. This was originally a double weekend for us, but with AMA Vintage postponed hopefully some will travel up North to Nelson. We are currently at 6 people, would like to see another 10-12 people for this one-day event. Please help support both tracks. Register at: www.motorsportreg.com/events/scca-neohio-time-trial-f-c-nelson-ledges-lake-erie-communications-775019

SCCA OVR Super Tour (July 16-19) Flag Chief: Randy Alheit

The road to the Runoffs, stops at Mid-Ohio for the annual OVR Super Tour Majors event at Mid-Ohio. It is a later start to our SCCA season, but it finally arrives with great club racing action. OVR always puts on a great event for everyone involved, we hope to see you for this one. We are at 11 people per day currently. We would like another 13-15 people per day. Register at: www.motorsportreg.com/events/hoosier-scca-super-tour-majors-ovr-f-c-mid-ohio-sports-car-course-lake-791002

Road to Indy Triple Header (July 29-30)

Road to Indy has added a standalone mid-week tripleheader for USF2000 and Pro2000. This is to make up for cancelled races from earlier this season. We are currently in negotiations to help supplement Mid-Ohio staff on corners to get all stations open. This is a planned pay-day \$100/per day Plus \$10/day per diem but not confirmed. The contract is not finalized but we want to get a head start in planning and see who is available to help. There may be a cap on numbers but at this time we do not know. If there is, it will be based on who registered first. You can pre-register for the event at www.motorsportreg.com/events/road-to-indy-mid-week-triple-header-f-c-ohio-sports-car-course-lake-erie-471654

Honda Indy 200 (August 7-9) Flag Chief: Kevin Young

As a reminder this event was moved forward one week to accommodate the new dates for the Indianapolis 500. This race is now August 7-9. This is always a fun event for us. It will be a busy weekend but if the racing the past couple of years from IndyCar it should be another good weekend.

Due to current requirements for registration, we have a hard cut-off registration date of Sunday night on August 2. We will not be able to add names after this cut-off date. Due to current protocols for spectators to attend events at Mid-Ohio, worker guest passes have been temporarily suspended. Guest passes could be reinstated as the event get closer.

Register at: www.motorsportreg.com/events/honda-indy-200-indycar-f-c-mid-ohio-sports-car-course-lake-erie-communications-488948

AMA Vintage Flag Chief: Ron Long

This event scheduled for July 10-12 has been postponed. No new date has been announced.

LEC Safety Measures

The following are the protocols developed by Lake Erie Communications for events we staff. These protocols were developed from recommendations by SCCA and USAC. Mid-Ohio has also published their protocols which we must follow. While these protocols are stringent, these are put in place due to the many unknowns still out there with this pandemic and we want everyone that comes to the track to be safe as possible and still have a good time trying to get away from all the craziness we are experiencing. We will be monitoring protocols as we approach each event and will communicate any changes that may occur for each event. Hopefully as the season progresses, some of these protocols will be relaxed. As always, we will follow the recommendations of sanctioning bodies, facilities, local and state authorities. Thank you in advance for your cooperation and understanding.

General Guidelines:

- If you are not feeling well prior to coming to the track. Please stay home!!!!
- Workers must provide their own PPE/Masks.
- NO LEC provided food or cookouts. The LEC grill can be used, but you must provide you own food and utensils. You will be required to clean the grill after use. Lunches will still be provided; the delivery method is still being discussed.
- NO community coolers permitted it the LEC area.

Mid-Ohio Guidelines:

- Prior to arrival, for each event, you must fill out the Medical Risk Screening Sheet and bring to Mid-Ohio to be collected. This form will be emailed to workers prior to each event and can be found in the events Pre-Race info section on the website. A copy of the form is at the end of the Communicator.
- Temperatures will be taken each time you enter the facility during the event. If you have a fever (100.4 or higher), you will not be permitted to enter the facility.
- Masks will be mandatory when inside building and where social distancing cannot be maintained.
- No guests will be permitted for events. Only workers scheduled to work events will be permitted.
- If you become ill while on-site, contact the flag chief immediately, gather your belongings and distance away from your team. The flag chief will come talk to you and determine if you should go to medical or leave the facility..

Flag Stations:

- NO community coolers will be provided by LEC for stations. Workers must provide their own coolers. LEC will provide water and Gatorade and will be available in the morning and lunch to take out of the package and delivered to station upon request. No other beverages will be provided. It is strongly encouraged to bring your own beverages for the weekend.
- Upon being procured, all stations will have wipes and/or disinfectants to wipe down flag sticks, packets, radios and other equipment. It is recommended that each worker bring their own cleaning supplies.
- An attempt will be made to keep the same station crew together throughout the event. Every effort to keep those travelling together or same family members to be assigned together. Stations will rotate daily, but crew assignments will not.
- For club races, each person should drive to station in their own vehicle. For spectator events, we are working with Mid-Ohio on a plan to drive to station.
- Depending on the size of the group and if distancing can be followed, morning meetings may be held at Station on the radio. This information will be communicated via website, email and Facebook prior to the event. If meetings are held at stations, Station assignments will be emailed and posted at registration and on the website. Equipment and gear will be delivered to each station.
- We will try to limit the number of workers at each station. We will open more stations to help keep the worker numbers down on station.

- When possible, keep distancing on station.
- It will be encouraged to designate a Communicator for the day to reduce passing the radio around. If not, each time the radio is transferred to a new person, the radio, headset and microphone will need to be cleaned.

Race Control:

- Masks will be required in Race Control.
- Only working personnel will be permitted in Race Control. If you are on break, you must leave the room.
- Race Control personnel should bring their own writing utensils.
- When rotating after sessions, wipe down work area, radio, headsets, copiers and other equipment in your workspace.

Forms that will be needed to filled out prior to arrival to enter the gate can be found at the end of the Communicator or on the LEC website in the Pre-Race info section for each event.

These safety measures are subject to change. We will fall in line with the requirements that may be set forth by Mid-Ohio, local and state officials. Current information can be found on our website at <http://www.lakeeriecommunications.org/covid-19-info.html>
