

## COMMUNICATOR-JUNE 2018

### **2018 Seminar**

I did fail to mention the LEC Award winners for the 2017 season....my apologies.

- Rookie of the Year: Randy Alheit
- LEC Worker of the Year: Kurt Stevens
- Sam Oram Award: Lowell McClure
- Master of Disaster: Karie Beal-Garber

### **IMSA Thank You**

Thank you to everyone that supported the return of IMSA. It was a good weekend and IMSA was very pleased with out work through out the weekend. We ended up just above minimum levels to properly staff this event but was very pleased with the results. We had two good endurance races with one FCY through out the two races (who would have thought that was possible). Again, thank you for the supporting of this early Pro-Event along with a special thanks to the support staff making sure you had plenty of water, ice and received your lunches on time.

### **LEC Website:**

Stay up to date with the latest event information on the LEC website. Registration and meeting times are posted there along with other pertinent information to get you ready for a race weekend. You can also register for events directly from the website. Go to [www.lakeeriecommunications.org](http://www.lakeeriecommunications.org)

### **LEC Store**

LEC has a new store to purchase LEC gear. We are rolling out basic outdoor and shirts currently and will be slowly adding other items to the list such as gloves, bags and other items. All the gear is embroidered with the LEC logo and shipped directly to you. The link to the site is [tpscom.com](http://tpscom.com) and click on webstore or click on this link: [LEC Gear Store](#)

### **2018 Event Registration**

Registration for all 2018 Lake Erie Communications Events are currently open on [Motorsportreg.com](http://Motorsportreg.com) or go through the LEC website and click on schedule for a direct link to each event. Please sign up early and often. As a reminder, if you are unable to work an event registered for you are obligated to let us know that you are unable to attend. This will allow us to either find a replacement for you or make the appropriate adjustments.

**SCCA OVR Super Tour (June 1-3) (Flag Chief: Bill Armitage)**

The first SCCA event is coming up with the return of the SCCA Super Tour. **We are currently short-handed for Friday and barely at minimum for Saturday and Sunday.** OVR has always put on a great show and does a great job looking after workers. There will be a gathering Friday evening as well as the party Saturday night. We should see a good car count once again. Come support OVR.

If you like open wheel racing...this is the weekend for you. The F1600, F2000 and Atlantics return along with SCCA Pro USF4 are returning to Mid-Ohio once again for their annual weekend. The racing has always been close and exciting. This year with the return of USF4 to this weekend, we are being asked to have two workers per station along with all stations open for USF4, this will put a premium on needing workers to support this weekend. FRP has done an excellent job with taking care of us in the past and we need to come through for them. If you can lend a hand, we really can use the help.

Registration: TBA (check website for updates)

Over the past two years our worker count has gotten better but still need to gain a few more people to cover this event properly. This one has always been difficult for us to staff. Please consider this event to help at.

## **LEC Worker Program**

In 2018, LEC will be introducing a F&C worker program to reward our members for volunteering their time. In the past we rewarded based up on the number of days worked. Beginning this season, we will be basing the incentives on a Points system. Giving higher points for those events we struggle to gain the numbers needed and lower points to more popular events. Points for each tier are for each day you work an event. The table below is the break down for the 2018 season.

### **5 Points:**

Porsche Club  
AMA Vintage Bikes

### **4 Points:**

Formula Race Promotions  
SVRA

### **3 points**

OVR Double Regional (July)  
OVR Double Regional (October)  
Cincinnati Double Regional

### **2 points**

OVR Majors  
NASCAR

### **1 Point**

IMSA  
IndyCar

### **0 Points**

All NASA  
Put In Bay

### **Bonus**

One point will be given to those that recruit a new member and that new member participates at least one day at an event during the season. No limit on how many bonus points a member can earn

A minimum of 20 points will be required to be eligible for the prize pool.

Qualifying members will have choice of items from the prize pool from Mid-Ohio Driving School, Mid-O swag, LEC gear, other swag and gift cards. The top point getter will have 1<sup>st</sup> choice in the pool, then the 2<sup>nd</sup> top points getter will have a choice of the remaining items and continue until the last qualifier chooses.

Ties will be broken by points gained at each tier beginning with the 5 point tier. If ties cannot be broken the tie breaker will be the earliest a person registered for at the highest point tier.

Only LEC members will be eligible for this program. New members points will accumulate from the time come off their log book. Points will be accumulated for those days LEC is contracted for.

NASA and PIBRR are not eligible for this program since they are limited by amount of number of worker contracted for and/or are pay days for workers.

### **Badges:**

We are making new badges, if you would like one you can send the following information to [lec@earthlink.net](mailto:lec@earthlink.net):

1. Name
2. Year Joined LEC (Guess if not sure)
3. Emergency Contact Name
4. Emergency Contact Number
5. Emergency Contact Relation
6. Your Picture for the badge

And we will get them printed up and brought to the track. We will also have the badge maker on-site during the OVR Majors and Formula Race Promotions weekend.

### **ICE Stickers:**

These stickers were introduced during the LEC seminar. Due to HIPPA laws, LEC is unable to add medical information to your ID badges, even if you state that it is OK. Through the Motorsport Safety Foundation, ICE stickers are available to place on you ID badges that contain a phone number and a unique PIN for emergency responders to text and receive your emergency, allergy and medical information. You have the ability to add and edit your information on-line securely. We have a couple of sample stickers to show and will fit on the back of your ID. Currently, the cost of the program is \$20.00/year. For more information go to: <https://www.motorsport-safety.org/initiatives/ice>

## **Race Weekend Schedules Around the Region:**

Travelling to other venues around the region is highly encouraged by LEC. This gives members the opportunity to experience other venues, organizations and regions on how they operate F&C and make new friends and contacts. Several new ideas for LEC have come about from experiencing other venues. Below are the schedules for events at Indianapolis Motor Speedway, Grattan, Gingerman and Waterford Hills. Please consider travelling to other tracks in the region. This is the best way to thank those that come to Mid-Ohio and support our events.
