### **NASA Regional (April 13-14)-Pay Day Opportunity**

Once again we have partnered up with NASA for three weekends in 2019 at Mid-Ohio. We will be supplementing the Mid-Ohio staff during their weekends to help provide complete coverage of the track. This year, to entice you to join us for NASA, we will be offering this as a "Pay Day".

We are contracted to provide eight (8) flaggers each day. We will pay each worker \$100 per day plus \$10 per day per diem to cover lunch. The pay will be limited to the first eight flaggers that register for the event on Motorsportreg. If you must cancel, please make sure you notify us within 24 hours of the event. If you no call, no show; you will lose the opportunity for future pay days for six months. Register at

Several new ideas for LEC have come about from experiencing other venues. Below are the schedules for events at Indianapolis Motor Speedway, VIR, Grattan, Gingerman and Waterford Hills.
