

## COMMUNICATOR-NOVEMBER 2018

### **SCCA OVR Double Regional, October 13-14**

Thank you to everyone that came out and supported this event.

### **2018 Season Thank You**

LEC cannot thank everyone enough that participated in the 2018 season at Mid-Ohio. We appreciate everyone time and effort given all year.....THANK YOU!!!! Overall it was a good season with lots of memories made along with many new stories. We are already working 2019, which looks to be another busy year. We will pass along information as it becomes available. Check the Facebook page and website for the latest information regarding seminar and the upcoming season.

A special Thank You goes to those that stepped up in to becoming flag chiefs this year, you all did a great job:

- Jim Schell
- Matt Mortiz
- Kurt Stevens
- Kevin Young

To everyone that pitched in with the little items through out the season (helping with cookouts, doing water and ice runs, helping with morning set-up and evening tear down, staying late to clean up, coming early to help with preparations to name a few)....it didn't go unnoticed and Thank You. Made everyone's life a little easier during the season.

Thanks to Adam Fisher, Bill Whitmore, Brian Sipes, Mike Pryor and the Mid-Ohio staff for your continued support and help through out the season.

Hope everyone winters well and look forward to seeing everyone in 2019.

### **Badges:**

We are making new badges, if you would like one you can send the following information to [lec@earthlink.net](mailto:lec@earthlink.net):

1. Name
2. Year Joined LEC (Guess if not sure)
3. Emergency Contact Name
4. Emergency Contact Number
5. Emergency Contact Relation
6. Your Picture for the badge

### **ICE Stickers:**

These stickers were introduced during the LEC seminar. Due to HIPPA laws, LEC is unable to add medical information to your ID badges, even if you state that it is OK. Through the Motorsport Safety Foundation, ICE stickers are available to place on you ID badges that contain a phone number and a unique PIN for emergency responders to text and receive your emergency, allergy and medical information. You have the ability to add and edit your information on-line securely. We have a couple of sample stickers to show and will fit on the back of your ID. Currently, the cost of the program is \$20.00/year. For more information go to: <https://www.motorsport-safety.org/initiatives/ice>

### **2019 Schedule**

Events will be posted on the Website as they are confirmed.

### **Race Weekend Schedules Around the Region:**

Travelling to other venues around the region is highly encouraged by LEC. This gives members the opportunity to experience other venues, organizations and regions on how they operate F&C and make new friends and contacts. Several new ideas for LEC have come about from experiencing other venues. Below are the schedules for events at Indianapolis Motor Speedway, Grattan, Gingerman and Waterford Hills. Please consider travelling to other tracks in the region. This is the best way to thank those that come to Mid-Ohio and support our events.
