

COMMUNICATOR-NOVEMBER 2019

Hard to believe we are down to our last two events of 2019. The second round of American Rallycross and the OVR Double Regional both at Mid-Ohio.

THANK YOU

Thanks to everyone that help cap off our 2019 season at the Season Finale for American Rallycross and OVR Double Regional. Both weekends were interesting weather-wise, but everything went very well and there was plenty of activity to keep everyone busy both weekends.

Season Ending Maintenance

The storage shed was painted during the OVR weekend. The storage shed is in great condition and will last us several more year. We may be receiving another storage shed from Mid-Ohio in the spring which will be very useful. All the plastic chairs were pressure washed clean for the winter and will be ready to go in the spring. We hope to pressure wash the picnic tables in the spring to clean them up as well.

2019 Season Thank You

Thank you to everyone that came out and supported LEC this season. It was another long and very busy season. We came together when we needed the extra help, and many went out of the way to help behind the scenes. It may have looked effortless at times, but a lot of hard work went in to do our best to make your time at Mid-Ohio enjoyable.

Thanks to those that stepped up to be Flag Chiefs this year. All of you made a difference and providing excellent leadership as we move into the future. Thank you to the new members that joined the LEC family, we hope to see you coming around for many years to come.

Thank you to Mid-Ohio and staff for their continued support throughout the season and working together to make sure we all were successful.

2020 Season

The 2020 season will be here before you know it. We have seen a preview of what the schedule may look like next year, it appears we will have one less event in 2020 and the dates are a little more spread out. We will begin to release the 2020 schedule as it becomes available along with the LEC seminar date. We hope to have a lot of this information available January/February 2020.
