

COMMUNICATOR-OCTOBER 2019

Hard to believe we are down to our last two events of 2019. The second round of American Rallycross and the OVR Double Regional both at Mid-Ohio.

THANK YOU

Thank you to everyone that helped with the NASA National Championships and the Put-in-Bay Road Race Reunion. Plenty of help all days with great racing and good weather.

American Rallycross #2 (October 5-6) Flag Chief: Bill Armitage

ARX returns to Mid-Ohio for the season finale to crown champions for the 2019 season. Joining the Supercars will be ARX2 and ARX3 to end their seasons. This round should have some course adjustments and the jump reshaped to make it more of a jump to make the racing and action better. The on-track activity is currently scheduled for Saturday and Sunday only. **If you have registered for Friday, we are not needed to be on-site for Friday** Register at <http://www.lakeeriecommunications.org/2019-season-schedule.html>

SCCA OVR Double Regional (October 26-27) Flag Chief: Jim Schell

The season finale for LEC for 2019. A good way to put away our whites and flags for the season and settle in for a long winter before the 2020 season will be here. Spend time with friends and family with a good event put on by OVR. This the traditional event for the annual LEC whistle ceremony to honor our fallen members over the years. This is always an emotional time for our members. A great weekend to reminisce and talk about times gone by. Register at <http://www.lakeeriecommunications.org/2019-season-schedule.html>

Campers:

As a reminder we are not permitted to leave campers on-site over the winter. Mid-Ohio has asked that all campers be off property by November 10th.

2020 Season

The 2020 season will be here before you know it. We have seen a preview of what the schedule may look like next year, it appears we will have one less event in 2020 and the dates are a little more spread out. We will begin to release the 2020 schedule soon along with the seminar date.

Pre-Race Info

Don't forget that registration and meeting time along with other event information can be found on the LEC website at www.lakeeriecommunications.org

Race Weekend Schedules Around the Region:

Travelling to other venues around the region is highly encouraged by LEC. This gives members the opportunity to experience other venues, organizations and regions on how they operate F&C and make new friends and contacts. Several new ideas for LEC have come about from experiencing other venues. Below are the schedules for events at Indianapolis Motor Speedway, VIR, Grattan, Gingerman and Waterford Hills. Please consider travelling to other tracks in the region. This is the best way to thank those that come to Mid-Ohio and support our events.
