

COMMUNICATOR-OCTOBER 2021

SCCA Ohio Valley Region, NASA and Put-In-Bay Thank You

Thank you to everyone that helped at these three events last month. We were tight on numbers but we made all the events work with out much an issue. Everyone was very happy with our flagging and communications.

2021 Season Update

We are down to our last three events of 2021 and winter will upon us. There are two race events at Mid-Ohio and finish the season at Nelson Ledges. It has been a really good year all around even with the demands on marshals around the regions and still dealing with the pandemic. We thank everyone that has come and helped make this season very successful despite some of the challenges early in the season. We hope you will be able to make it out to one of the remaining races this season before winter settles in.

Pre-Race Information

The LEC website contains all the information you will need for upcoming race events. The Pre-Race area contains events schedules, meeting, and registration times along with other valuable information prior to your arrival at the track.

Road To Indy (October 1-3) Flag Chief: Randy Alheit

We will need a lot of help for this one. This is the season finale for the Road to Indy group running a stand-alone event to cap off their 2021 season. Champions will be crowned in USF2000, IndyPro 2000 and Indy Lights during the weekend with a season that has been highly competitive thus far. This weekend is up against Championship weekend of the Runoffs at Indianapolis, and we really need a strong turnout for this weekend since it is under IndyCar sanction and will expect all stations to be open. We are looking pretty good except for Friday. If you can help on Friday it would be very much appreciated. SCCA OVR Double Regional (October 16-17) Flag Chief: Kurt Stevens

The season finale at Mid-Ohio is here. Join LEC for one last club race in 2021 at Mid-Ohio. The fall event is always a fun time and gives some competitors one last chance to race before winter arrives. OVR has always done a great job in supporting the workers during their events. Come out and join us for one last race weekend at Mid-Ohio. We are planning on doing the LEC Whistle Ceremony to honor our fallen members during the weekend. Worker numbers currently are looking good but would like to see a few more both days. SCCA MVR Regional @ Nelson Ledges (October 30-31) Flag Chief: Brad Morris

The final event of the 2021 LEC season will be at Nelson Ledges Halloween weekend. This race will bring back old memories of "The Pumpkin". This should be a good weekend of racing and hanging out with our flagging family one last time in 2021. With the end of the season brings the LEC Whistle Ceremony, which is always emotional in remembering our fallen members. Worker Count is light currently, would love to see many more come out to send the 2021 season off. Register at:

Race Weekend Schedules Around the Region:

Travelling to other venues around the region is highly encouraged by LEC. This gives members the opportunity to experience other venues, organizations, and regions on how they operate F&C and make new friends and contacts. Several new ideas for LEC have come about from experiencing other venues. Below are the schedules for events at Indianapolis Motor Speedway, Grattan, Gingerman and Waterford Hills. Please consider travelling to other tracks in the region. This is the best way to thank those that come to Mid-Ohio and support our events.
