

COMMUNICATOR-OCTOBER 2022

Everything This Year Thank You

A major thanks to all who volunteered at all of the Lake Erie Communications events this year. Many of the events were a small crew, but we all heard from the sanctioning bodies that they could not tell that we were tight on staffing, which is a tremendous compliment to the work you all do.

We can not do these events without you. It was a hard schedule, with lots of back-to-back events, and a busy region, but everyone who stepped up, our heartfelt thanks to you all.

From the Executive Director

Hello everyone hope you are all well. We are on to our last event of LEC's schedule at Mid Ohio this weekend with Ohio Valley Region. We are doing our whistle ceremony Saturday after the races and hope you can join us. Also a champagne toast to 60 years of LEC to go with the whistle ceremony.

This year as a whole has been very good and enjoyable. Flagger counts have been bare minimum but we made it work. You can still come out this weekend - registration is closed on MSR but just give me a call and I will take care of it. We had a busy season and we all could use a little break till spring. We will start work on the spring seminar soon and will post date and times when setup.

As for next seasons schedule, we probably won't know anything till later this year or early next year and also will be posted when we have dates set. Anyone who would like to see a topic touched on at the seminar please text or call me, no idea is a bad idea.

In closing let me say all of you make my time at the track very enjoyable and I look forward to seeing you all when I get to the track. Please all of you be safe and healthy and will see you soon. One last item most of you know Matt Moritz is moving on to bigger things in his family's life and will be moving to Florida soon I want to thank Matt for his contributions to LEC and for being a good friend. Hope to see you down the road Matt.

THANKS,

Randy Alheit

2022 Event Schedule

October 15-16 SCCA OVR Double Regional (MidO)-**Randy Ahleit**

Race Weekend Schedules Around the Region:

Travelling to other venues around the region is highly encouraged by LEC. This gives members the opportunity to experience other venues, organizations, and regions on how they operate F&C and make new friends and contacts. Several new ideas for LEC have come about from experiencing other venues. Below are the schedules for events at Indianapolis Motor Speedway, Grattan, Gingerman and Waterford Hills. Please consider travelling to other tracks in the region. This is the best way to thank those that come to Mid-Ohio and support our events.

Indianapolis Motor Speedway

Date	Event
October 21-23	Road to Indy Test
